FINANCIAL

"Wide-Awake"
—men and women, instead of allowing their
savings to lie idle in bank or elsewhere, where
it yields them no interest, find it pays to place
it in the hands of the "Wide-Awake" company.
The company's certificates of deposit,
which enable the holder to get possession
of his money on demand and at the same
time receive him 3 per cent. If you have
money that you want to use for a few months
longer, let us issue you a "Wide-Awake" certificate
of deposit, which draws 4 per cent interest in
three months, 5 per cent in six months and 6 per
cent in one year.

Call at any time; we shall be glad to talk
it over with you.

"Last Wills."

When we reflect upon the importance
of making a will it is singular why so
many men put it off.

There is nothing more uncertain than
life. Making a will is a duty every
man owes his wife and family.

Many men neglect making their
last will and testament because they do
not like to discuss their personal affairs.

This is one reason why you should
name a trust company as executor.

Such matters are held in the strictest
confidence by us.

Individuals who make their
wills with this company are
prepared and kept at its own
expense.

When you are ready to make your
will drop in and talk the matter over
with Mr. Hildout, our trust officer, who
will cheerfully give you all the information
you desire upon this subject.
